A Lasting Impact

Ms. J - Gwynn Oak, Baltimore County

"Thank you Rebuilding Together for giving me a new roof. It feels good and its looking good. My house is still beautiful because of you all, and I'm still safe in here. Thank you again, I am very pleased."

Ms. G - Ednor Gardens/Lakeside, Baltimore City

"I thank Rebuilding Together for the work that was done in my home. I was really interested in having a walk-in shower because it was difficult for me to get in and out of the tub, but I was given other needed repairs also and I am so grateful. I must say that I love my walk-in shower and I now enjoy taking a shower that I was not able to take before my new shower was installed. Again I thank you so much for being a blessing to seniors. May God continue to bless each of you."

Ms. W - New Northwood, Baltimore City

"The repairs you did in my home were very helpful for me, all the things you did needed to be done. I could not have done any of them anytime soon. I appreciate everything that was done and thank you all very very much for your time and work."
